# **ACKNOWLEDGMENT**

I would like to express my sincere gratitude to my Computer science teacher, Mrs. Pooja Nagarkoti, for his valuable guidance, support, and encouragement throughout the completion of my investigatory project titled “Atm system ” His insightful suggestions and constant motivation helped me understand the topic deeply and present it effectively.

I am also thankful to our Principal, Mrs Jaya Jantawal, for providing the necessary facilities and a supportive environment that enabled me to carry out this work successfully. My heartfelt thanks also go to my school laboratory staff and classmates for their cooperation and assistance during this project.

Lastly, I would like to thank my parents for their continuous inspiration and motivation, which made this work possible.

Manish Mishra  
class XII
